Dear Bulldog Community,

Thank you for all your continued support of Sullivan West Central School District. We couldn't do what we do without the hard work of everyone in this district and we're grateful for your partnership. In that spirit, I am writing to ask for your help by providing us with feedback.

We're very excited to be looking towards the future by building on our tradition of excellence. We're in the midst of beginning a strategic planning process that takes into account what is working, what we'd like to improve on and how everyone in our school community feels about the work. We need your input so that we can make the best plans for our district's future.

Please tell us what you think we are doing well and what can we improve on. We would also like to know what you think we should be considering for the future. Our plans will be based on your feedback. Please share your thoughts by clicking here: <https://tejoin.com/scroll/623652638>

You can add thoughts, see what other community members are thinking and rate each other's feedback. All of this is done anonymously, and we encourage you to check back often to keep the conversation going. The exchange will be open until August 12th.

Thank you for your participation in our strategic planning process.

Sincerely,

Kathleen Bressler
