Dear Sullivan West Community,

We are sharing, with tremendous regret, the passing of Douglas J. Smith Jr., a veteran staff member who worked for Sullivan West School District for almost 25 years. Mr. Smith started his career at Delaware Valley Central School as a Mechanic and after a few years he moved to Sullivan West as an Auto Mechanic. Over the years he earned the title of Building Maintenance Mechanic.

Mr. Smith was known in the district for being reliable and dependable. Doug will be remembered by all who were privileged to know him as a hardworking man ready to step in to help get any job done. Sullivan West School District is thankful for his many years of service.

The District's counseling staff is available for any students or staff members who need support. If any other member of our School District community would like assistance during this time, please call the Main Office of either the Elementary School or the Middle/High School.
