RE: Parent Drop Off and Pick Up

Dear Parents/Guardians,

Any time that students are outside of their vehicles could be a potential safety issue during drop off and pick up. We sincerely emphasize that point and ask you to stay within your vehicles during the entire process as well, unless aiding a child with buckles. Please do not park and walk up the parking lot to the side door. We understand the time that both processes take and have worked diligently to expedite it as safely as possible. Parking and walking up to the door jeopardizes not only your safety, but the safety of the children.

I would also like to remind our parents and community members to be cautious of students that walk to school. Schoolhouse Road is a school zone; please drive slow and be careful of our walkers.

With the lasting government restrictions, we too feel the strain of these COVID mandates, including transportation. We ask for your patience and help to have your children arrive and dismiss every day through drop off and pick up safely.

Sincerely,
