NOTICES, UPDATES and REMINDERS

Summer Construction

Construction has begun! Our Elementary school building is upgrading the fire alarm system, replacing the '61 and '94 sections of the roof and creating a more secured vestibule. This work has begun, parking and space is limited. We have relocated offices and our summer programs to the Middle-High School during this time. Towards the end of July construction will begin on the secured vestibule in the Middle-High School. You will be able to access the building from the back parking lot. To make sure summer construction does not interfere with your plans, call ahead and make an appointment with whomever you wish to see, and we will let you know the best place for you to come to.

School Supplies:

Our temporary ARPA grant funding has ended. We were grateful to give our parents a financial break for the past couple of years in purchasing supplies. This upcoming year parents will be asked to purchase school supplies for students. School supply lists will be made available on our school website later this month with a reminder sent out through Parent Square in August. If you have any questions, please contact your school's main office.

Fall sports:

Family ID portal will open Monday July 1, 2024, for all Fall Modified, JV and Varsity level sports. If you have questions about Fall Sports, please contact our Athletic Director, Mr. Kurt Buddenhagen.

This summer we will be transitioning to a new website. Please bear with us through the transition. In the end we are updating information and added quick links that will lead you straight to important items like the lunch menus, athletic schedule, and to report an Anonymous Alert. The new website should be much easier to navigate.

If you still need to register a family member for PreK or Kindergarten, registration is by appointment only. Please call our registrar, Gabrielle Gardner at (845) 482-4610 ext. 3006.
