Scott Haberli
Middle School Principal

July 19, 2021

Dear Sullivan West Middle School Students and Families,

It is with great pride and excitement that I write to introduce myself as the Principal of the new Sullivan West Middle School. I am honored to have been given this wonderful opportunity to lead our faculty and staff devoted to meeting the unique needs of our 7th and 8th Grade students.

- I have been dedicated to the field of education for more than twenty-seven years, and during that time have worked with a variety of students ranging in age from Kindergarten through 12th Grade. Most of you know that my most recent experience has been as your High School Assistant Principal.

Along with the teachers and staff, I have been working to create an environment that serves the needs and enhances the experiences of our Middle School students. Some of the goals of the Middle School include:

- Create 7th and 8th grade teams of teachers and staff who will form supportive relationships with our students.
- Increase student support academically by scheduling Grade-wide study halls so that students and teachers have increased access to one another.
- Develop an Advisory program to address the unique needs of our Middle School students through offering all students regular opportunities to learn about and discuss important concepts in adolescent development, such as perseverance, positive self-esteem, healthy relationships, and organization.

I am so looking forward to meeting and interacting with all of you this coming fall. As your Principal, it is important to me that everyone who steps through our doors - teachers, staff, students and parents - are excited to be here! This attitude enables us to meet the challenge of pursuing academic excellence in a positive, fun, and nurturing environment.

To our 7th Grade students and families, you will be receiving an invitation to Orientation shortly. I look forward to seeing all of you in late August. And to our 8th Grade students and families, I am incredibly excited to continue working with you in my new role.

Sincerely,
