Dear Bulldogs,

Sullivan West Central School District is in a lockdown due to the close proximity of a robbery in Livingston Manor. During a lockdown staff and students are free to move about within the building but visitors and outsiders are not permitted to enter the school building. A lockdown is used to secure the buildings and grounds during an incident that poses an imminent concern outside the school. Students and staff will remain inside the buildings.

The district will remain in lockdown status until further notice. We will update you when new information becomes available. There is a trained School Resource Officer in both the Elementary and Middle/High School buildings and they are in contact with the State Police to monitor the situation.

Thank you for your patience and understanding.

Kathleen Bressler
