Dear Bulldogs,

I hope this letter finds you well and enjoying the sunny weather! I am writing to inform you that the Middle-High School will be given back their last unused snow day on Friday, May 27th. The Elementary School used all their snow days this school year already. However, for Elementary students we are scheduling an early dismissal drill for that same day and students will be released at 1:00 p.m. Friday, May 27th. We hope this will give everyone a little extra time to enjoy the Holiday Weekend.

To recap there will be no school for Middle-High School students on Friday, May 27th and for the Elementary students there will be an early dismissal at 1:00 p.m., on Friday May 27th.

In other news and reminders, last week the Budget Newsletter was mailed out. It details our school budget and several programs that were made possible by past community support. The Budget Vote will be held on Tuesday May 17th. To confirm your voting location, please see the district website, www.swcsd.org, look under "Board of Education" positioned at the top, and then "Where do I vote?". If you have questions regarding the District budget, you can contact us at Budget@swcsd.org or call the district office at (845) 482-4610 x 3000.

This spring we are still seeing COVID cases here at school. We remain committed to following best practices of cleaning, encouraging proper handwashing, increased ventilation, and with warmer weather finally here, we are using our outdoor learning spaces. We continue to submit our COVID-19 case count to the NYS Department of Health and you can find that link on our website under "Quick Links". We appreciate your continued support and remind all to stay home if you are exhibiting any symptoms.

Take care and be well,

Kathleen Bressler
