Dear Bulldog Parent(s) and Guardian(s):

We have received confirmation that a member of the Middle School/High School staff has tested positive for COVID-19. Due to the timing of when the District was informed of the positive case, contact tracing of students and staff members who have been in prolonged contact with this staff member will not be able to be completed this evening. Contact tracing will be completed tomorrow, and all staff members who are believed to have been in prolonged contact with the staff member, as well as the parent(s)/guardian(s) of all students who are believed to be in prolonged contact with the staff member, will be contacted by the School District.

As a result, the Middle School/High School will operate on a remote learning schedule for tomorrow, Thursday, February 18. All Middle School and High School students, from both the Monday/Tuesday and Thursday/Friday cohorts, should sign on to Zoom meetings following their regular, in-person school schedule for tomorrow, Thursday, February 18, beginning at 7:35 a.m. Questions regarding access to the Zoom links or online materials for a specific class should be directed to the teacher of the specific class.

The Elementary School is planned to remain open for in-person instruction tomorrow.

In the event that weather changes the status of our schools for tomorrow, that information will be communicated tomorrow morning.

Please be advised that, due to privacy laws, we cannot release any personally identifiable information regarding any student or staff member.

Thank you for your ongoing support of our students and our schools.

Sincerely yours,

Stephen A. Walker
Superintendent of Schools
