March 19, 2020

Good Morning, Bulldog Families:

As a follow up to my letter from March 17 regarding the District's response to the COVID-19 outbreak, this communication is designed to provide additional details. Please review it closely, and feel free to email me if you have any questions or need clarification.

We are aware that some students/families are seeking to access certain essential items from our schools for use during this closure. In order to accommodate those needs, while balancing the imperative for student/family health and wellness by limiting the number of students in our schools at one time, we have modified our student access schedule as follows:

**Friday, March 20:**

**12:00 pm - 2:00 pm:**

**Access at both schools for students/families with last names beginning with A - H**

**Monday, March 23:**

**9:00 am - 11:00 am:**

**Access at both schools for students/families with last names beginning with I - P**

**12:00 pm - 2:00 pm:**

**Access at both schools for students/families with last names beginning with Q - Z**

As a reminder, this access is only for the retrieval of essential items. Students and families will be expected to observe the recommended "social distancing" at all times, and will be asked to leave the campus if unwilling to do so. All students and families will need to enter and exit through the school's main entrance.

If you need access to an essential item but are unable to attend your specific student/family access time period, please let me know, and we will make arrangements for you to retrieve the essential item. Please email me at [walkerste@swcsd.org](mailto:walkerste@swcsd.org).

**“...enriching the lives of all students”**

Thank you to all of you who have reached out to express your support of our students and our schools during this unprecedented and challenging time, and to all of you, for the contributions you make to our School District community. We continue to wish all of you well and will be here to support you during this time.

Sincerely,

*Stephen A. Walker*
