February 18, 2021

Dear Bulldog Parent(s) and Guardian(s):

This letter is in follow-up to yesterday's communication regarding a staff member at the MS/HS who has tested positive for COVID-19.

At this point, all staff members who were identified to have been in contact with this staff member, as well as the parents of all students who were identified to have been in contact with this staff member, have received communication from the School District. A representative from the New York State Contact Tracing Division will be contacting these individuals as well, in order to provide further information.

The Middle School/High School and the Elementary School are planned to be open for in-person instruction tomorrow, Friday, February 19.

In the event that weather changes the status of our schools for tomorrow, that information will be communicated tomorrow morning.

Please be advised that, due to privacy laws, we cannot release any personally identifiable information regarding any student or staff member.

Thank you for your ongoing support of our students and our schools.

Sincerely yours,

Stephen A. Walker
Superintendent of Schools

“...enriching the lives of all students”
