Sullivan West is seeking a strong, collaborative leader that effectively communicates with all stakeholders. He or she should have outstanding human relation skills, possess strong intellect, and demonstrate the ability to motivate and facilitate research-based curriculum, instruction, and learning. They should be a results-oriented individual who communicates and models a strong and viable vision based on achievement, character, personal responsibility, and accountability.

Sullivan West is committed to preparing students to be engaged, passionate and contributing members of the community. We believe in providing educational experience rich with individualized opportunities in an inclusive and nurturing environment where every student's path is both honored and supported.

Responsibilities will include but are not limited to:

- Serve as the instructional leader of the Sullivan West Middle/High School.
- Supervise and evaluate all building staff.
- Monitor all academic progress and implement data-driven instructional practices.
- Lead academic discussions on effective pedagogical practices and student performance.
- Ensure compliance of local, state and federal laws and regulations.
- Develop organizational goals and objectives consistent with the vision, mission, and values of the District.
- Create a professional, collaborative and supportive culture for all staff, teachers, students and families.
- Facilitate research-based curriculum, instruction and learning.
- Oversee all academic scheduling, programs, services, and activities.
- Serve as a liaison between teachers, parents, and the community.
- All other duties related to the position as assigned by the Superintendent of Schools.
