Greetings from the Board President & Superintendent of Schools

Dear Sullivan West School Community

Here, with our compliments, is your 2016-2017 Sullivan West Calendar, a guide to "what's happening" in your schools during the upcoming year. We encourage you to use this calendar to build and maintain an active partnership with the Sullivan West Schools, their faculty, staff, and students. These are, after all, YOUR schools, owned by the SW community and run for the benefit of the SW community. For many of you, your children or grandchildren are our students, and what goes on in the schools has critical, personal, meaning to you. But for all of you, our public schools represent the future of our community and the future of America. We all "have a stake" in the success of our public schools.

In the following pages you'll find the dates, times, and locations of concerts, plays, school holidays and delayed-openings, PTSO meetings, Budget Forums, Student Awards Nights, the annual District Election and much, much, more. And remember that for our senior citizens, all of our schools' plays, concerts, and athletic events are free of charge. Please visit us often.

This calendar is only one of the ways that you can get and stay in touch with the Sullivan West schools. You'll want to visit our website at www.swcsd.org, where you'll find game schedules of all of our interscholastic athletic teams. You'll also find listings of regular "upcoming events" in our schools and a posting of all emergency and urgent information. You'll also want to watch for our District Newsletter, the Bulldog Bulletin, which typically is published and sent to all homes in the school district four or five times each year.

There are too many important events and "happenings" in the schools to list them all, but here are a few especially important ones that you'll want to schedule into your personal calendars right now:

- The annual Student Achievement Report to the Community- October 20th - 6:30 PM
- The annual School Facilities and Student Needs Forum - November 17th - 6:30 PM
- The annual School Fiscal Condition and Prognosis Forum - December 15th - 6:30 PM
- The annual Program & Budget Review - January 19th - 5:30 PM
- Budget Workshops - February 16th; March 16th; April 20th & April 25th.
- The annual Budget Vote and School Board Election - May 16th.

We also encourage you to attend School Board meetings, held typically on the third Thursday night of each month. These meetings, just like the Board's committee meetings, are open to the public. Parents may also want to participate in PTSO (Parent, Teacher, and Student Organization) meetings, held monthly in each of our schools. We profit from your attendance and welcome your participation.

Sullivan West's students are served best by active and supportive partnerships of parents and teachers, homes and schools. Our District's Strategic Plan recognizes and honors these partnerships, speaking of the "shared responsibility" that we all have for raising and educating children, "supported by the combined efforts of students, parents, educators, and community members." Join us in this "partnership." Working together we can build better schools, better communities, and a better society for us all, and for those who come after us.

Best wishes for a great 2016-2017 school year,

Mary K. Scheutzow

Dr. Nancy M. Hackett

Dr. Nancy M. Hackett, Superintendent of Schools

2016-2017 Board of Education

The school district is governed by a nine-member Board of Education elected by eligible voters of the district. Members are volunteer public officials who serve, without pay, for three-year terms. As elected representatives of district residents and as officers of the state of New York, board members must carry out duties required by the state Legislature, the Board of Regents, and the state Commissioner of Education. The board establishes policies for the operation of the district and the superintendent of schools carries out these policies.

Board meeting dates are indicated on the calendar pages or by accessing the online calendar on the district website, www.swcsd.org. Meetings are held in the High School Library in Lake Huntington. All regular meetings begin at 7 PM. District residents are invited to attend meetings.

Letters to and questions about the Board of Education can be addressed to: Margaret L. Luty, District Clerk, at 33 Schoolhouse Road, Jeffersonville, NY 12748. The district clerk also can be reached by phone at 845-482-4610 x 3000.

2016-2017 Transportation Procedures

The transportation department strives to promote safe, effective, and efficient transportation services for all Sullivan West students. Listed below are some general guidelines that will aid in this endeavor.

Transportation Services

Elementary school students [K-6] who reside more than five tenths [.5] of a mile and High school students [7-12] who reside more than a mile from school are eligible for district bus transportation services.

Transportation Guidelines

The following guidelines for students, parents, and bus drivers, are intended to reduce the length of delay and congestion for the general motoring public.

Bus stops may be located up to five tenths of a mile from student's physical address for students in grades K-6 and up to a mile for students in grades 7-12.

It is expected that all students will be at the bus stop five minutes before scheduled pick up time. Students are to be in plain view of the bus driver as the bus approaches the bus stop. Students are not to cross for boarding until directed to cross by the bus driver. If the bus driver does not see the student[s], he/she will slow down approaching the stop and look for the student. After stopping, if students are NOT visible, the bus shall NOT wait. Students should be at their assigned bus stops five [5] minutes before the scheduled stopping time.

It is expected that all students make a reasonable effort to quickly board the bus.

If a student misses the bus to school, the district shall not alter any bus route to pick up the pupil; it will then be the responsibility of the parent/guardian to provide transportation to school. The district may pick up the pupil on another bus route provided there is no route alteration necessary [the students may need to travel to another location for pick up].

If a student misses the bus going home, it shall be the responsibility of the parent/guardian to pick up the pupil. The school will notify the parent/guardian of the student's situation and location.

Students in grades kindergarten through third will not be dropped off at their bus stop unless a designated adult is visible to the driver. Parents who wish to designate

older children, authorizing them to receive their prek-3 siblings at bus drop-offs, must provide the school district with written permission. Designated siblings must be 12 years or older.

Request for transportation to babysitter or childcare

Students going to a site other than their residence before or after school will be permitted to ride District operated buses under the following conditions:

- Request is submitted to school in written form.
- The alternate site is in the school district, and the site is located on an established bus route.
- Seating is available on the bus.
- Requests are approved on an "Annual Basis" and will not carry over from year to year.

School Aged Child Care Program

This program serves Sullivan West students in grades K-6. This fee-based program is provided before school beginning at 7:30 AM and after school from 3:30 PM to 5:30 PM at the Elementary campus. For information, call 845-482-4610 x 2158 or x 2141.

Committee on Special Education (CSE)

CSE meetings are held through the school year when school is in session, with a limited number of meetings held in July and August. Parents are sent confidential notices to invite them to participate as members of their child's CSE meeting. For more information, please call the Office of Special Education at 845-482-4610 x 3009

Family-Teacher Conferences and Meet the Teacher Nights

Talking to teachers about your children is the best way to learn how well they are doing and how you can help them be more successful. Family-Teacher conferences help you, as parents or guardians, to become acquainted with teachers and to learn about the school curriculum. It also gives teachers an opportunity to learn things that will help to improve your child's education program and to better understand your child. Each campus will also hold a "Meet the Teacher Night". Please see the dates for these events below:

Administration of Medication

Under certain circumstances, when it is necessary for a student to take medication during school hours, the school nurse may administer the medication if the parent or guardian submits a written request accompanied by a written authorization from a physician indicating the frequency and dosage of the prescribed medication. The parent or guardian must assume responsibility to have the medication delivered directly to the health office in a properly labeled original container.

The procedures for taking medications off school grounds or after school hours while participating in a school-sponsored activity will be in accordance with State Education Department Guidelines.

Use of School Facilities

Sullivan West Elementary and High School Buildings are available to community groups for meetings and special events under rules established by the State Education Department and the Board of Education. Applications for use of school space are available in the Business Office at the elementary building; please contact Katherine Hemmer at 845-482-4610 x 3009 for a form and instructions. Completed forms need to be returned to the principal of the school you wish to use. Please give as much advance notice as possible to permit the scheduling of requests.

Dawg Mart - Sullivan West High School

The Dawg Mart features low-cost school supplies, apparel and other school spirit items. The bookstore is manned by students during homeroom and lunch periods. It is also open during various school events such as the homecoming football game and high school family-teacher conference night. Check the website at www.swcsd.org and click on the School Store link located on the left hand side. The catalog can be viewed on the website.

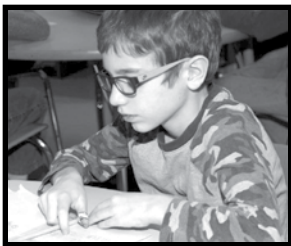

Parent Notifications

Access to Student Records

The Board of Education recognizes the legal requirements to maintain the confidentiality of student records. To that end, the district notifies students, parents, and guardians of their rights under the Family Educational Rights and Privacy Act of 1974 (FERPA) with an annual notification in the Sullivan County Democrat and The River Reporter, in school and district publications, in a letter mailed home to parents/guardians in the fall and in the packet of information given to each parent/guardian upon registering a child during the school year.

District Policies #7240 and #7241 govern these district practices and clearly outline the rights of parents and students. These documents are available to parents at the office of the district clerk.

Attendance Policy

Regular school attendance is essential for the academic success of our students. Recognizing this, the Board of Education has established student attendance guidelines and regulations. Copies of attendance policies are available in the district clerk's office; student handbooks and each of the buildings.

The Board of Education annually reviews pupil attendance records and, if necessary, revises the district's attendance policies.

Student Directory Information

The District shall publish an annual public notice informing parents or eligible students of their right to refuse the release of student directory information and indicating a time period for their response. Following such public notice and a reasonable response period, the District may release such information to an outside group without individual consent.

The Family Education Rights and Privacy Act (FERPA) defines student directory information as the following: name, address, telephone listing, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height (if members of athletic teams), degrees and awards received, and the name of the educational agency or institution previously attended by the student.

After the annual notification is published, a parent/legal guardian or eligible student will have two weeks to notify the records management officer in writing of any or all of the items they refuse to permit as directory information for that student. Upon receipt of such notification, the records management officer will, within three school days, mark a student's records to indicate the information, if any, the District will designate as directory information about that student. This designation will remain in effect until it is modified by the written direction of the student's parent/legal guardian or the eligible student.

Protection of Pupil Rights Amendment (PPRA)

The Protection of Pupil Rights Amendment (PPRA) affords parents certain rights regarding the District's administration of surveys, collection and use of private information for marketing purposes, and certain physical exams. These include the right to:

Consent before students are required to submit to a survey that concerns a variety of protected personal and/or family information if the survey is funded in part or whole by the US Dept. of Education.

Receive notice and an opportunity to opt a student out of surveys of other protected information, certain invasive physical exams, or other activities involving the collection, disclosure, or use of personal information obtained from students.

Inspect, upon request and before administration or use of instruments used to collect personal information from students

These practices will rarely, if ever, occur in the Sullivan West Schools. If or when they do, parents will be notified and provided the opportunity to review such materials and, if they choose, to opt their child out of the activity.

District Policy 7250 explains these protections in detail and all interested parents are invited to access it from the District's website, www.swcsd.org, or to request a printed copy by contacting the District Clerk at 845-482-4610 x 3000.

Dignity for All Students Act

The District condemns all forms of discrimination and harassment of students, believing that schools which are safe, supportive, and free from bullying provide the best environment for learning. Therefore, in accordance with the Dignity for All

Students Act, Sullivan West strives to create an environment free of discrimination and harassment, one that fosters civility in all of our personal interactions, and that protects the individual rights of all.

The School District's policies pertaining to compliance with the Dignity for All Students Act are explained within District Policy 7554 "Dignity for All Students Act" and District Policy 7551 "Policy Against Discrimination and Harassment of Students" which are available on the District's website at: www.swcsd.org. In addition, age appropriate, plain-language summaries of the Code of Conduct, including but not limited to an explanation of the provisions pertaining to the Dignity for All Students Act, are available on-line as well as the main office of your child's school.

The complete District Policy manual is available in the School District Offices and on-line, at the District website, www.swcsd.org.

Body Mass Index Survey

Each year schools are randomly chosen by the NY State Education Department to report information about their students' body weight information (Body Mass Index) to the State Health Department. Only summary information is sent. No names or additional information about individual students are included. However, you may choose to have your child's BMI information excluded from this survey report by notifying your school nurse in writing.

Student Registration

If you are new in the District, or are registering your children for the first time, you will need to have certain information with you when you begin the registration process.

You will need to show the following:

- Legal proof of residency with your *physical address*, such as a lease, rental agreement, copy of school tax bill or a utility bill in your name with a recent date. If this documentation is not available, the District will consider other forms of documentation.
- If you have school records from previous schools please bring them. You should also have the complete name and address of prior schools.
- Up to date immunization records
- Proof of student's age
- Proof of custody (if applicable)

All registration is conducted in the Office of the Registrar at District Central Offices in the Elementary School (845-482-4610 x 3006.)

School Hours:

Elementary Building: 8:45 AM - 3:27 PM
High School Building: 7:35 AM - 2:22 PM

Delayed Openings in 2016-2017

Wednesday, October 19, 2016 • Wednesday, December 7, 2016
Wednesday, February 22, 2017 • Wednesday, April 26, 2017

On each of these days the beginning of the school day for students will be delayed 2 hours.

Pesticide Application Notice

Sullivan West Central School, in compliance with NYS Law CH285, wishes to inform all staff and parents of the occasional use of pesticides at our facilities. Every effort is made to eliminate pests by other means; however sometimes pesticides are necessary. Treatments are scheduled for times when students are not in the building. All treatments are done by trained, certified applicators and/or a licensed commercial company. All pesticides used are recommended for application in schools.

In compliance with the CH285 Law, any staff member or parent who wishes to be notified prior to a pesticide application must notify the District with a signed letter and a phone number where the parent can be reached between 7 AM-3 PM. Please include a current address with the request letter. Please send your request of notification to:

Lorraine Poston, Assistant Superintendent for Administrative Services

mySchoolBucks

With current national attention being focused on children's health and wellness issues, Sullivan West Central School District's Food Service Department is excited to provide parents a convenient, easy and secure online prepayment service to deposit money into your child's school meal account at any time. This service also provides parents the ability to view your child's account balance through a web site called mySchoolBucks.com. By having money in each child's account prior to entering the cafeteria, we find the lunch lines move along much faster so your child has more time to eat and be with friends.

Also, parents will have the ability to print out a copy of their child's eating history report. This history report will show you all dates and times that your child has purchased a breakfast and or lunch within the past thirty days.

To access these services

- Simply go to the district web site at www.swcsd.org.
- Click on the Food Services link.
- Click on the mySchoolBucks.com link. From this site you will create your account and add money to your child's school meal account. All you need is your child's name, student ID number and school.

Things to know:

- If you have more than one child in the District you can handle all online prepayments from the same online account.
- Payments may be made using your Visa, MasterCard and Discover credit or debit card. You may also make payment using an e-check payment directly from your bank account. In order to use the online prepayment service, a small convenience fee for each transaction will be assessed to cover the bank fees. The convenience fee is \$1.95 per deposit transaction. Parents placing money into multiple meal accounts will only be assessed the \$1.95 fee once per deposit transaction. Sullivan West Central School District will not profit from the use of this site.

If you choose not to take advantage of the online prepayment service you may continue to make advance payments via check, which should be made payable to the Sullivan West Central School District. Please write your child's full name on the check in the memo section of your check.

Working Permits

The school district cooperates with the New York State Labor Department in the issuance of working permits required by law for students under the age of 18 who seek employment. To secure a working permit, a student must:
